One thing I have learned is how generous the people of our city are in giving their time, means, and resources. The examples set by the people of this City inspired me and made me a better Mayor and a better man. Your valuable contributions to our community have created a better place for all of us to live.

I feel I have done my part in making a positive difference in our city, by making the city stronger, preserving your personal freedoms and leaving the city on a solid foundation for the future.

I want to take this opportunity to express my profound gratitude to the people who work for the City and Heber Light & Power Company. What an amazing job they do each day for their City, making sure our operations run smoothly. They are an extraordinarily talented group of people who proudly and honorably serve the greatest City on earth.

My wish is that all of you can enjoy the spirit of the Holiday Seasons with peace and joy. May your Christmas be filled with family and friends, giving and loving. Most importantly of all, let us spend our time thanking God for all of his blessings. Merry Christmas and Happy Holidays!

May God bless the people of this Valley and our Nation,

Mayor Alan Wayne McDonald

CONGRATULATIONS!

Congratulations to our new Heber City Mayor, Kelleen Potter and Council Members Heidi Franco and Wayne Hardman. Their four-

year terms will begin January 1, 2018. For detailed election results visit our web site
<http://ci.heber.ut.us/populardocuments/electioninformation/index.html>

LAST NOTE:

Submitted by Mayor Alan McDonald

It has been the honor of my life to be your Mayor over the past 4 years. So many of you have sent emails, written letters, and given personal thanks and well wishes over the past few weeks, but I could say as much to each one of you. Carolyn and I have been grateful for the opportunity you gave us to serve our community.

SNOW REMOVAL AND PARKING

Submitted by Officer Eric Mainord

It's December and the snow is coming; with that, comes sidewalk snow removal and snow removal parking.

The Heber City Police Department Code Enforcement would like to remind you that it is your responsibility to shovel any sidewalks that are connected to your property. Failure to do so puts you at risk of a lawsuit for any damage or injury resulting from the buildup of snow and ice on the sidewalks or causing pedestrians to walk in the roadway.

Starting November 15th Heber City Municipal Code 10.16.040, Parking During Snow Clean Up Periods went into effect. Heber City Police Department, working in conjunction with Heber City Public Works will be actively ticketing any violators of this code.

10.16.040 Parking During Snow Cleanup Periods

A. **No parking during snow removal hours.** Beginning November 15th of each year and terminating April 1st, it is unlawful to park or leave parked any vehicle upon the City's paved portion of the street or within five feet thereof under the following circumstances:

1. When there is any amount of snow on the street;
2. When it is actually snowing or within twenty-four hours thereafter; or
3. The street has not been plowed since the snow fell.

B. **Impounding vehicles.** Any vehicle parked in violation of Subsection A of this Section may be impounded and no person shall recover any vehicle thus removed without first paying the cost of removal and the cost of storage.

CHRISTMAS TREE SAFETY

When it comes to your Christmas tree, make sure that you make a fresh cut of approximately 1"-2" from the base of the tree. Be sure to add fresh water to your tree every day. Most trees will need to be watered two times each day. *If you forget to water the tree, the base of the tree will seal up and the tree will no longer be able to absorb the water.*

Also, make sure that your tree is at least three feet away from heat sources such as fireplaces, space heaters and heat vents. This warm air will dry out your tree very quickly.

THE GREAT CHRISTMAS ADVENTURE

**December 1-23
Timpanogos Valley
Theater**

*A unique holiday
experience
thousands of years
in the making*

Interact with Santa's elves in an indoor, holiday playland. Take a flight on Santa's magic sleigh. Build a snowman. Climb aboard a train bound for the North Pole. Sing! Elfercise! Enjoy Mrs. C's goodies and meet Santa in this 360° immersive experience! Fun for the whole family! A perfect, old fashioned, Christmas tradition! Visit www.thegreatchristmasadventure.com for more information or to purchase tickets. Use code HEBER17 for 10% off.

*Heber City wishes you a safe and happy
Holiday Season!*
