**UTAH VALLEY UNIVERSITY WASATCH –
ELDER QUEST**

SNOW REMOVAL AND PARKING

Submitted by Officer Eric Mainord

UVU is working with local retired and semi-retired citizens of Wasatch County to organize an **Elder Quest** program. The purpose of Elder Quest is to provide an opportunity for advanced life-long learning programs and study for retirees who enjoy planning their own educational program to expand their intellectual horizons. This is a member-driven program, which conveys UVU's fundamental role of providing educational opportunities to our community.

There will be a meeting on **Thursday, November 16, 2017**, at 7:00 p.m. at the UVU Wasatch Campus in the main lobby, room 204, for those who may be interested in joining our group. We invite all interested Wasatch County residents to attend. If you are interested in serving as an officer in the organization, please call or send an email to Tom Melville prior to the meeting.

**DAYLIGHT SAVING TIME ENDS ON
SUNDAY, NOVEMBER 5, 2017**

Daylight Saving Time ends on Sunday, November 5. Don't forget to set your clocks back one hour!

It's November and the snow is coming; with that, comes sidewalk snow removal and snow removal parking.

The Heber City Police Department Code Enforcement would like to remind you that it is your responsibility to shovel any sidewalks that are connected to your property. Failure to do so puts you at risk of a lawsuit for any damage or injury resulting from the build up of snow and ice on the sidewalks or causing pedestrians to walk in the roadway.

Starting November 1st Heber City Municipal Code 10.16.040, Parking During Snow Clean Up Periods goes into effect. Heber City Police Department, working in conjunction with Heber City Public Works will be actively ticketing any violators of this code.

10.16.040 Parking During Snow Cleanup Periods

- A. **No parking during snow removal hours.** Beginning November 15th of each year and terminating April 1st, it is unlawful to park or leave parked any vehicle upon the City's paved portion of the street or within five feet thereof under the following circumstances:
1. When there is any amount of snow on the street;
 2. When it is actually snowing or within twenty-four hours thereafter; or
 3. The street has not been plowed since the snow fell.
- B. **Impounding vehicles.** Any vehicle parked in violation of Subsection A of this Section may be impounded and no person shall recover any vehicle thus removed without first paying the cost of removal and the cost of storage.
