## CEMETERY CLEAN UP NOTICE

Heber City Cemetery will be conducting a clean-up beginning **on Monday, November 6, 2017**. The clean-up will last approximately four days.

We ask that any decorations that visitors wish to save be removed before the scheduled clean-up. All decorations left **will be discarded**; this includes all floral decorations, baskets, shepherd hooks, solar lights, pinwheels, etc. If you have any questions please feel free to call the Parks & Cemetery Department at 654-3952.

## HEBER CITY POLICE DEPARTMENT THINK CRIME PREVENTION TIP OF THE MONTH

*Submitted by Officer Eric Mainord*

Natural Surveillance increases the perceived risk of attempting deviant actions by improving visibility of potential offenders to the public. Natural surveillance occurs by designing the placement of physical features, activities and people in such a way as to maximize visibility of the space and its users, fostering positive social interaction among legitimate users of private and public space. Potential offenders feel increased scrutiny, and thus inherently perceive an increase in risk. This perceived increase in risk extends to the perceived lack of viable and covert escape routes.

How does that apply to me as a homeowner and what can I do for my home and family? Here are a few ideas:

- Maintain premises and landscaping that communicates an alert and active presence.
- Use low, thorny bushes beneath ground level windows. Use rambling or climbing thorny plants next to fences to discourage intrusion.
- Use appropriate lighting
- Trim trees to above 12' and brush and bushes below 18" so that there are open lines of site.
- Make sure house numbers are clearly visible for first responders in case of an emergency.

For further information or help, contact the Heber City Police Department to schedule a free Think Crime Prevention (TCP) inspection of your home for tips from a professional police officer. Once your home has been inspected you will receive signage to display in your front window indicating that you have a TCP approved home in order to help deter crime at your residence.
