Meeting Purpose

- Discuss the environmental review and findings
- Answer the public's questions regarding the project

Project Need

Project Purpose

The **purpose** of the project is to provide a connection between 550 East and Mill Road (or to connect East Bypass Section A and East Bypass Section C).

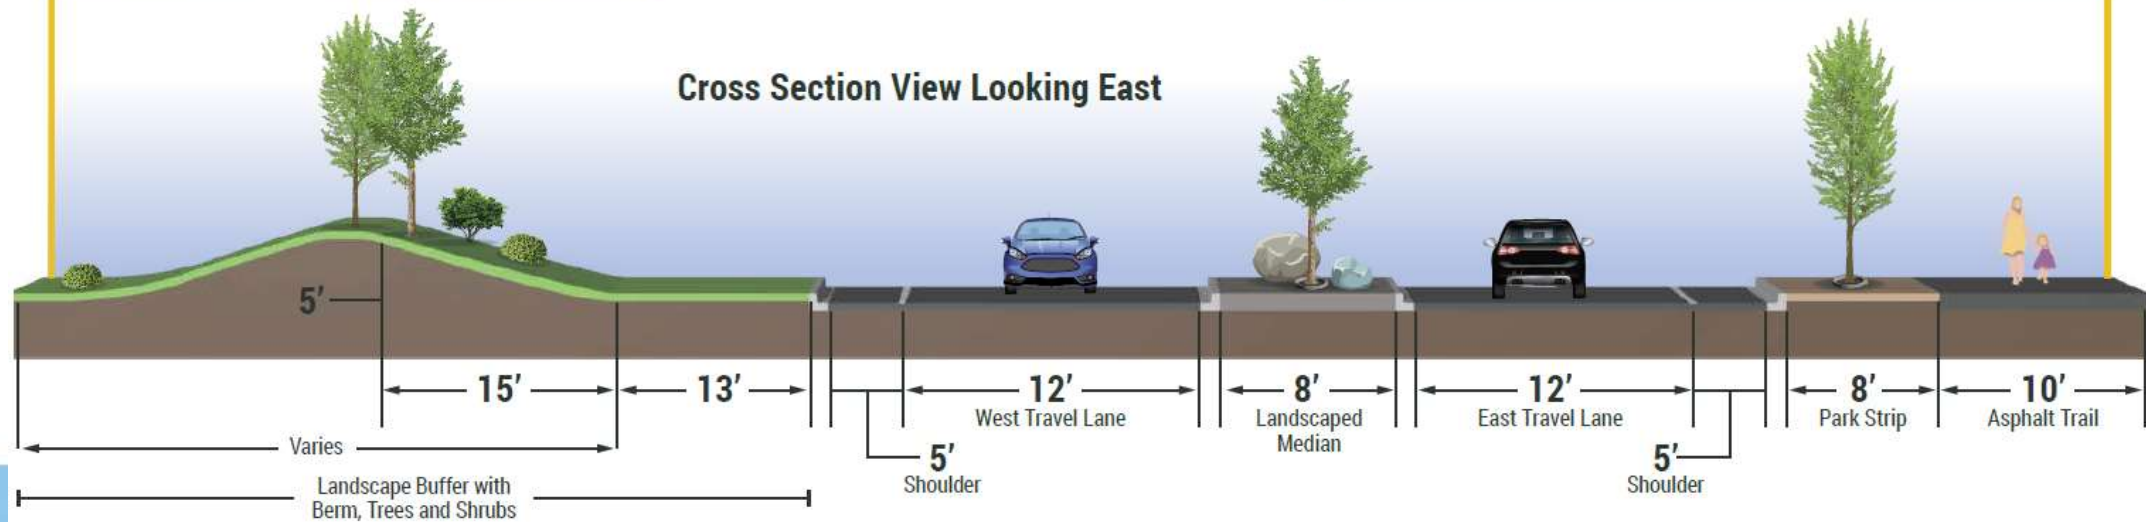

Proposed Action

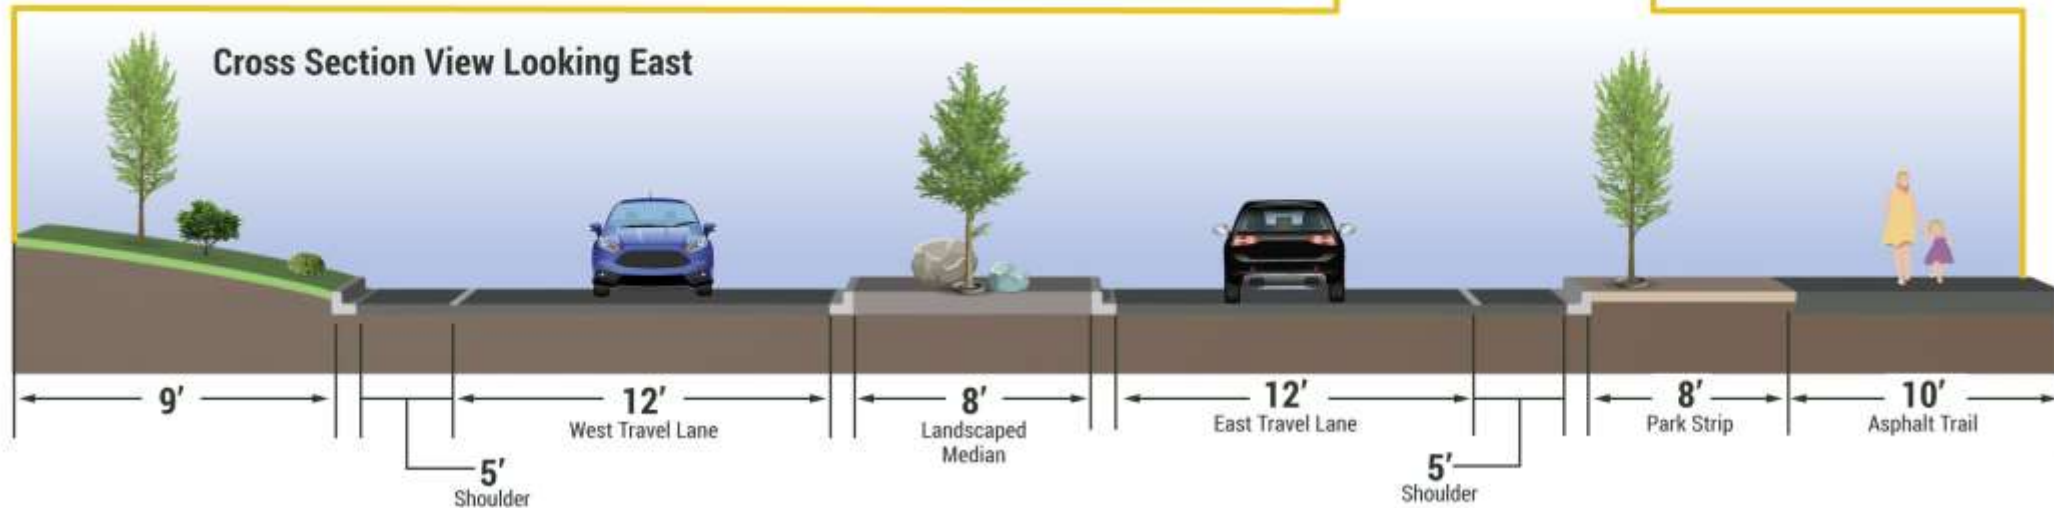

Typical Section

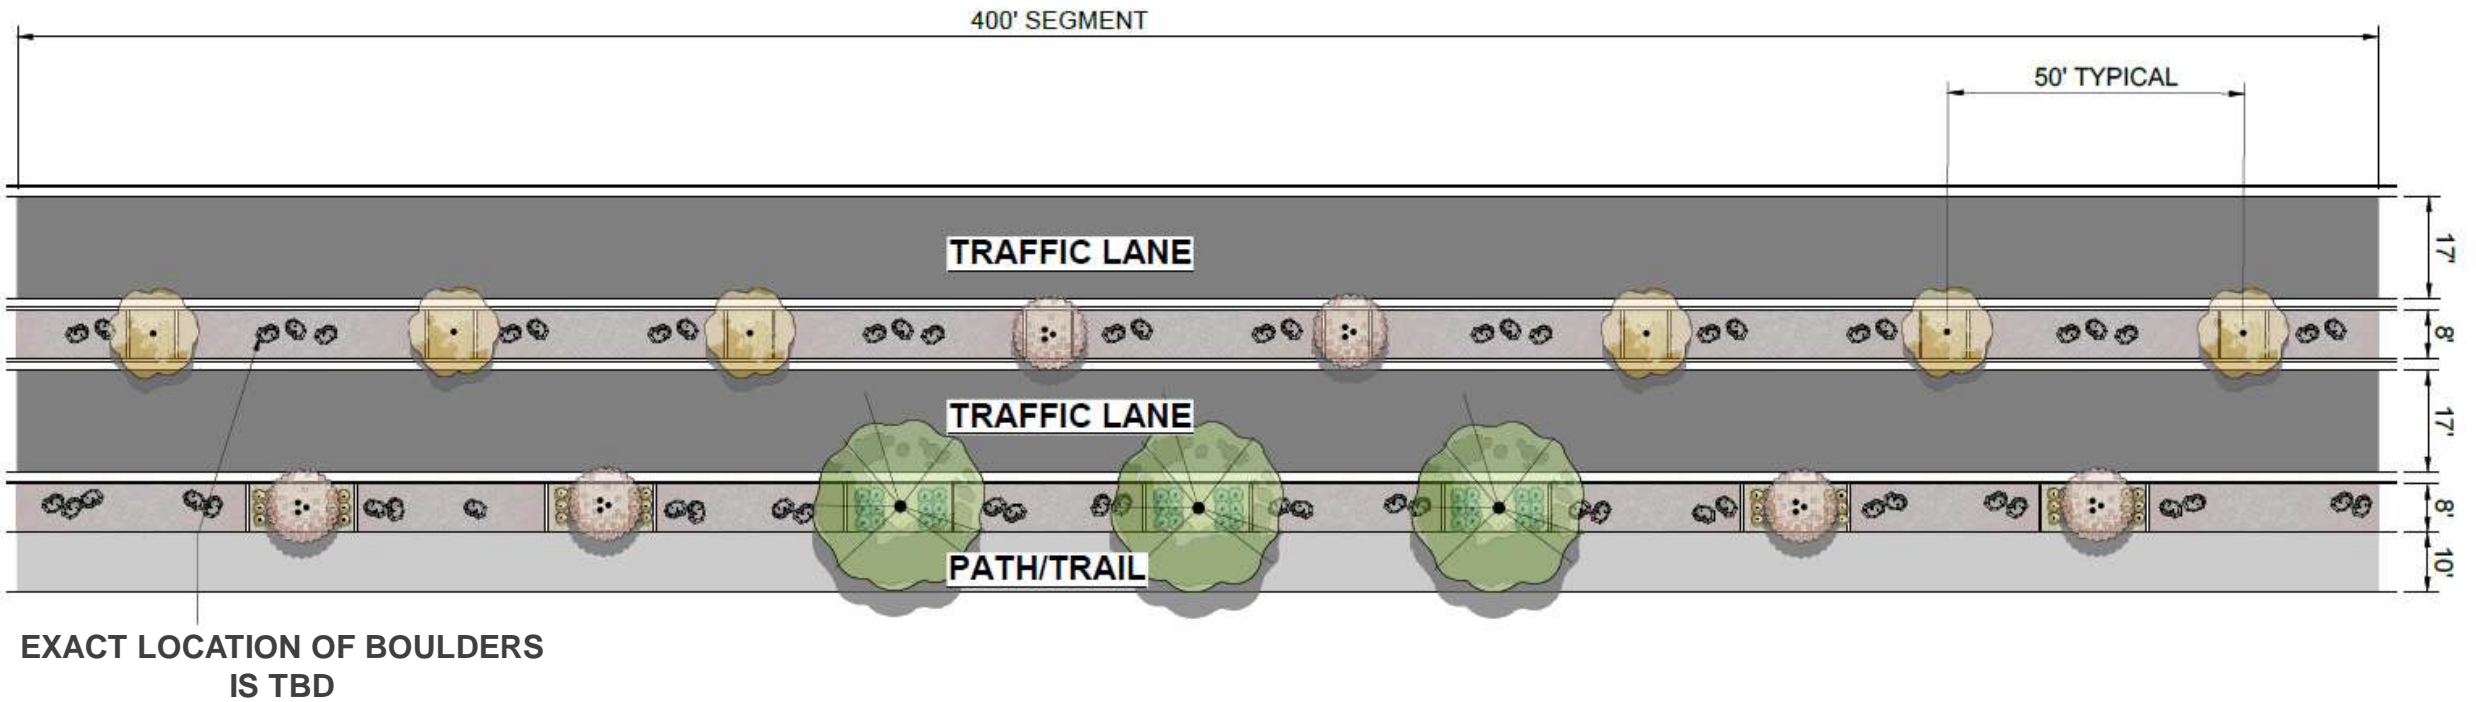

Cross Section View Looking East

Typical Section

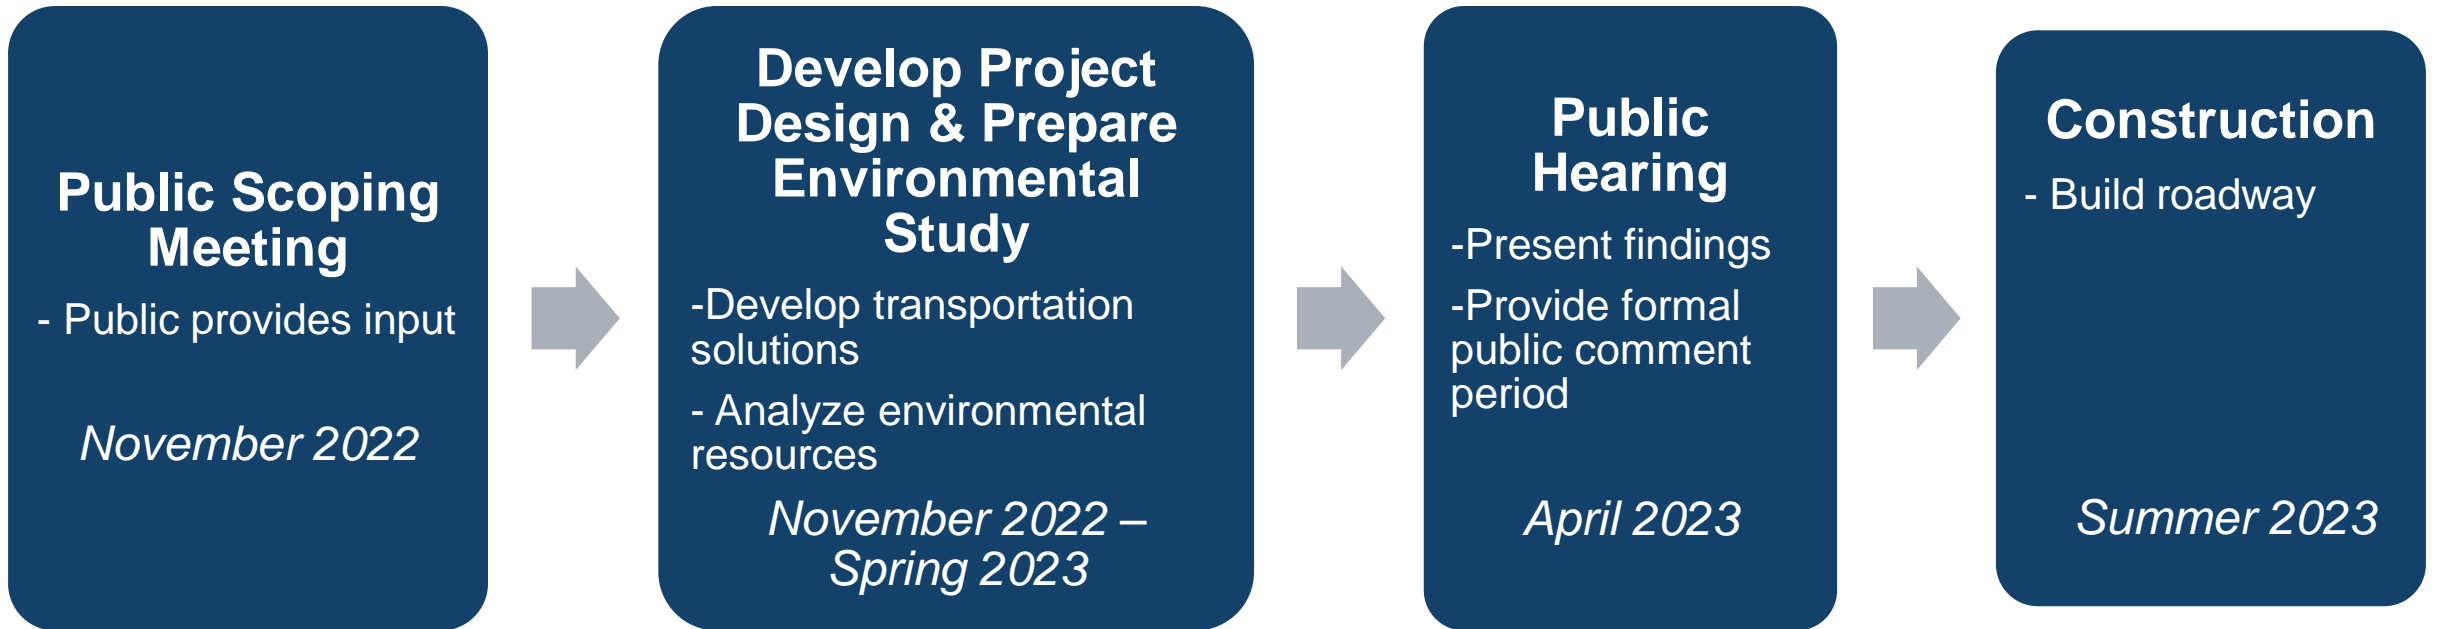

Landscaping – Park Strip & Median

Environmental Impacts

- **Right-of-Way (ROW)** – ROW is being acquired for city roundabout projects; No ROW acquisition is required for East Bypass Section B
- **Cultural** – Wasatch Canal is a cultural resource; no adverse impacts are anticipated
- **Threatened & Endangered Species/Wildlife** – No impacts
- **Wetlands/Water Resources** – No impacts
- **Noise** – Noise analysis determined that there would be no noise impacts (noise level of 66 dBA or greater, or 10 dBA or greater over existing noise levels)
- **Hazardous Waste** – No impacts
- **Prime, Unique, Statewide, or Locally Important Farmland** – No impacts
