Niche Urns must be 10.5"x10.5" or smaller

Cremations must be in a plastic, metal or concrete container

No burials may be scheduled Friday-Tuesday of Memorial Day Weekend

No Sunday burials, unless there is a cultural or religious reason to do so

No double burials are allowed unless one or both are a cremation - only one headstone is allowed

Upright headstones are only allowed in specific areas

Flat headstones must be flush with the ground, wedge stones are considered upright

Only those currently living within the Heber City limits are considered City residents.

Those living in Wasatch County are considered non-residents, and must pay the non-resident rates

Headstone Dimensions:

Single grave - 48"x32",

Double stone - 96"x32"

All stones are required to have a 6"concrete border that is included in the above dimensions.

Niche Nameplates

Name plates are included in the cost of the niche, engraving is done at the owners' expense

Name plates must not have engraving within 1/2" of the plate edge

Vases are allowed at the owners expense, placement must be approved by Cemetery staff
